

Cherryvale "Fighting Cherries"(???? - 1968) and "Chargers" (1969- Present) Football History

KSHSAA did not sponsor state championship playoffs for football until 1969. District play was introduced to determine playoff participants in 1981. From 1981 through 2001, only district champions advanced to the playoffs. In 2002, the top two teams in each 11-man district began to qualify for the playoffs
