Current Address: _____ Phone: _____

District in which the student resides: _____ District attended last year: _____

Primary reason for the request: _____

If this is a first time request to transfer into the Cherryvale School District, a background check will be conducted with the previous district. The following will be considered when admitting new students:

- Availability of the district to meet the academic needs of the student without adding additional staff (class size, case load, etc.).
- Discipline, attendance, and academic status of the student at his/her previous school of attendance.
- Reason for the request and whether or not administration believes the student will be successful here.
- The superintendent will consider the building principal's recommendation prior to any decision concerning applications for admission by a non-resident student.

USD 447 reserves the right to refuse attendance to any and all out of district students. Permission for out-of-district enrollment may be withdrawn at any time after a conference with administration if the student does not follow adopted discipline and/or attendance policies.

I hereby request admissions to Cherryvale USD 447 Schools for the above name student(s) for the academic year 2019-20.

I have reviewed the conditions of application for non- resident status for my student(s) and understand this application is for only one academic school year. Future enrollment status will be determined on a yearly basis.
